

Category A- & B-projects

In this table, EKN provides details for category A- and B-projects approved for support from 2019 and onwards (ex-post). The projects are also described in EKN's Annual Reports, available on www.ekn.se.

Issuing of first guarantee*	Offered guarantee amount (MSEK)**	Country	E&S risk classification	Name of project	Exported product	General description of project	Main E&S risks***	Exporter	Financial institution****
2024	Not disclosed	United Kingdom	B	Eastern Green Link 2	Converter stations and associated swichgears	Transmission project within the United Kingdom. Underwater cable and onshore converter stations	Impacts on biodiversity and impacts on fisheries during construction.	Hitachi Energy Sweden AB	Nordea Bank Abp. Sweden branch.
2024	166	Oman	A	Musandam Diba-Lima-Khasab Road	Construction equipment	Construction of new road	Impacts on biodiversity.	Volvo Construction Equipment AB	n/a
2024	1,813	Germany	A	LanWin6 NordOstLink+ (DC32)	High voltage cable	Connecting offshore wind projects to national electricity grid and installation of underground electricity transmission cable	Impacts on biodiversity.	NKT Group	Nordea Denmark

* Year of the first issued guarantee.

** Offered guarantee amount is the amount EKN intends to cover. The final guarantee amount does not always correspond to the offered. The guarantee holder might not use the entire offer, resulting in a lower amount, or might apply for and be approved for an extension of the offer, resulting in a higher amount. When the transaction is finalized and the guarantee period has expired, the final amount is ascertained.

*** More information on EKN's assessment of the projects' environmental and social risk management is available in EKN's Annual Reports.

**** At the time of the first issued guarantee.

Issuing of first guarantee*	Offered guarantee amount (MSEK)**	Country	E&S risk classification	Name of project	Exported product	General description of project	Main E&S risks***	Exporter	Financial institution****
2024	1,946	Germany	A	Bornholm Energy Island Ostwind 4 SuedOstlink+	High voltage cable	Connecting offshore wind projects to national electricity grid and installation of underground electricity transmission cable	Impacts on biodiversity.	NKT Group	Nordea Denmark
2024	358	Brazil	A	Klabin/Puma-II phase 2	Fiberline & cardboard machine	Reinsurance. New kraft pulp mill line directly adjacent to an existing plant.	Indigenous peoples' rights, land acquisition and resettlement, and health and safety for local communities.	Valmet AB	Finnvera; Santander; Citibank; Bank of America; JP Morgan Chase Bank
2023	2,022	Ivory Coast	B	Water for All	PVC pipes, pumps, water treatment equipment, solar panels, design, planning and logistics services	Construction of water wells in remote rural areas along with a network of pipes, pumps and solar panels.	Risks related to resettlement, local communities' health and safety and working conditions during construction phase.	Baran International Ltd.	KFW IP-EX-BANK GMBH; AB Svensk Exportkredit
2023	892	The Netherlands	A	Doordewind 1 & 2 Nederwiek 3	High voltage (HVDC) cable	Offshore wind farms with associated infrastructure.	Impacts on biodiversity.	NKT HV cables AB	Skandinaviska Enskilda Banken Danmark
2023	1,193	The Netherlands	A	Ijmuiden Ver Beta Ijmuiden Ver Gamma Nederwiek 2	High voltage (HVDC) cable	Offshore wind farms with associated infrastructure.	Impacts on biodiversity.	NKT HV cables AB	Nordea Denmark; Nordea Bank ABP, Finland
2023	120	Canada	A	Coté Gold Mine	Mining equipment	Establishment of an open-pit gold mine.	Impacts on indigenous peoples and biodiversity.	Epiroc	Epiroc Financial Solutions AB

* Year of the first issued guarantee.

** Offered guarantee amount is the amount EKN intends to cover. The final guarantee amount does not always correspond to the offered. The guarantee holder might not use the entire offer, resulting in a lower amount, or might apply for and be approved for an extension of the offer, resulting in a higher amount. When the transaction is finalized and the guarantee period has expired, the final amount is ascertained.
